The function room at The Coast Hotel is the perfect environment to cater for a variety of functions. Be it birthday parties, work social functions or charity events, The Coast Hotel provides a high standard of quality to all our guests.

The function room is upstairs from the main public areas of the hotel, giving it the advantage of being exclusive to you for the duration of your event. The room can cater for up to 50-250 guests and can be flexible in terms of arrangements.

The room has a very modern and comfortable vibe and features; a large open dance floor, comfortable booth seating, a fully equipped sound system, 3 x plasma TVs, and a large outdoor terrace, which is all here to guarantee your special occasion is a memorable one.

We also offer a spacious bar containing a variety of tap and bottled beer, wines and mixed drinks as well as an extensive finger food menu from our award winning Spinifex restaurant to cater for all your function requirements.

Entertainment, music and atmosphere are all key ingredients to the success of your function. Our staff can look after your entertainment and music requirements and our top of the range sound system will make your next function a winner.

Available 7 days/nights a week (until 9pm Fri/Sat before being opened to the rest of the public), The Coast Hotel Function Room is ideal for your next event.

Bookings are filling fast for the Christmas period, so why not pop into the hotel to check out the function room today!

Smoking areas are also available.
